

## About Us

### A Subcontractor You Can Count On

When your projects are under construction, the last thing you need to worry about is whether what is on the blueprints will actually become reality.

At Advanced Wall Systems, Inc., we understand your concerns. And we make sure we address them, with punctual delivery, strict cost control and quality workmanship.

Â

### Flexibility and Years of Experience

Because we understand how fast things can change, we build flexibility into every job. If a problem arises or a change needs to be made, we react quickly and efficiently. Our field management team is stellar and has a total of 73 years & a turnover rate of 1%. This is your main asset!Â Â Â Â Â Advanced Wall Systems, Inc. president, Lee Jones, brings to every project over 44 years of experience and knowledge. The last 24 years have been solely dedicated to commercial projects. This consistent track record and comprehensive approach enables the company to meet every kind of challenge.

Â

### Attention to Detail, Quality Workmanship

No project is successful unless the details are

executed properly. As such, every Advanced Wall Systems, Inc. project must meet high standards of first rate craftsmanship and careful detailing. This is accomplished by management's personal involvement in each project, from beginning to completion.

Â

#### Quality and Value for Your Dollar

If on time delivery, on budget control, and expert workmanship are not enough, Advanced Wall Systems, Inc. also offers competitive pricing. We are concerned about how money is spent, because your success is our success.

Â

#### Building for the Future

Advanced Wall Systems, Inc. looks to the future. We don't just build solid projects, we build long-term business relationships that will stand the test of time. Next time you have a project that needs to be built, call Advanced Wall Systems, Inc. The details will be properly and capably handled.

For more information, call Lee Jones to discuss your construction needs. He will be glad to assist you, from concept to completion.
